NASH SWEEPS OHIO

Colonel Dick Says His Plurality is Over 55,000.

MCLEAN CARRIES HAMILTON COUNTY

Republicans Also Have a Majority in the Legislature.

JONES POLLED BIG VOTE

Special Dispatch to The Evening Star.

CINCINNATI, Ohio, November 8.—Unofficial, but complete, returns from every precinct in Hamilton county give the following vote: For Governor, Nash (rep.), 34,865; McLean (dem.), 25,979; Jones (ind.), 11,960. For lieutenant governor, Caldwell (rep.), 28,720; Patrick (dem.), 20,749. McLean carries Hamilton county by over 1,174 votes, but the state republican ticket wins in the county by a good plurality. For attorney general, auditor and treasurer on the republican county ticket Probate Judge Howard Ferris is re-elected by a large plurality, and John H. Gibson will be the new treasurer. There is a chance for the election of the republican legislative ticket in this county on corrected official returns. The republicans claim state legislature in both branches. The republican victory in the state at large was no surprise to the leading republicans of Cincinnati. Men like Senator Foraker and other leaders, while they realized the seriousness of the situation, continued all the time that the republican party of the old state would wake up on election day with a realization of the tremendous national interests at stake and would bury factional differences for the moment to support the administration. It is a McKinley victory, as well as an endorsement of the party's national policy. The Nash managers give Senator Foraker credit for bringing into line a strong following, which might otherwise have gone with the Kurtz-McKisson crowd of malcontents. As to the result in Cincinnati, the republican managers are secretly congratulating themselves it was no worse. The peculiar local situation gave rise to grave fears of a heavy slump here, but on the contrary the republicans have managed to get valuable salvage from the wreck in Hamilton county.

George K. Nash.

COLUMBUS, Ohio, November 8.—Democratic state committee men had nothing to announce this morning in regard to the city's election. It is understood Mr. McLean may make a statement bearing on the causes that brought about the result. Judge Nash, the governor-elect, has received many congratulations, especially over carrying his own county of Franklin by over 2,000. The county was carried by the democrats for governor by 1,360 two years ago. Chairman Dick today has revised his figures so as to claim from 55,000 to 60,000 plurality for Judge Nash for governor and the rest of the republican state ticket, and an unusually large majority in both branches of the legislature. No senator is, however, to be selected by this legislature. The total vote was perhaps exceeded only at the last presidential election. It will reach 290,000 as compared with 294,000 at last and 264,000 in 1897, with which year the vote compared. The plurality of Judge Nash exceeds that of President McKinley in 1896, and almost double that of Gov. Bushnell in 1897.

The Jones Vote.

The Jones vote, although the largest ever polled for a third candidate, is not regarded as large today as indicated in the earlier returns last night. It is not likely to exceed 100,000, and almost half of this vote was cast in Cleveland, Cincinnati and Toledo.

It is estimated that the Jones vote in Cuyahoga county will be 25,000; in Hamilton, 10,000; in Lucas, 8,000; and in Franklin, 2,000. Outside of the fusion troubles, Hamilton and the confusion in Cuyahoga county, and the Jones movement in other places, the republicans seem to have made gains throughout the state, especially in the rural districts. The senate stands 19 republicans, 8 democrats and 4 doubtful, including 3 from Hamilton county.

Gov. Bushnell's Views.

COLUMBUS, Ohio, November 8.—Speaking of the result of the election in Ohio this morning, Governor Bushnell said that Judge Nash had been elected as he expected he would be, but by a plurality a good deal larger than he anticipated. This he thought was largely due to the satisfaction of the laboring class with the present conditions. The result emphasized the fact that this is a reliable republican state, the more certain to be so when a hard fight is made by the opposition.

Senator Hanna is Pleased.

CLEVELAND, Ohio, November 8.—Senator Hanna said to the Associated Press correspondent today that he did not attach any special political significance to the fact that Jones, independent for governor, had carried Cuyahoga county by a plurality of about 15,000.

"Jones was supported largely by organized labor in Cleveland," said Mr. Hanna, "and, in addition, received the votes of thousands of democrats who bolted their party ticket."

Gen. Miles at Portland, Oreg.

PORTLAND, Oreg., November 8.—Major Gen. Nelson A. Miles, commanding the United States army, inspected the fortifications at the mouth of the Columbia river. He was tendered a banquet by the Astoria chamber of commerce and later was the guest of the Portland chamber of commerce at a banquet. Gen. Miles will go from here to San Francisco.

KENTUCKY IN DOUBT

Both Parties Claim State by Considerable Plurality.

GOEBEL SAYS HE WINS BY 5,000

Republicans Say Taylor Will Win by 15,000 Votes.

RETURNS NOT YET ALL IN

Special From a Staff Correspondent.

CINCINNATI, Ohio, November 8.—A special from Louisville says the republicans claim Kentucky by 15,000 to 20,000, and that Goebel (democrat) claims it by 5,000. Many precincts are yet to be heard from. Covington, Ky., where democratic Candidate Goebel left for Lexington today to take charge of crusade against alleged ballot frauds.

State Seems to Be in Doubt.

By Associated Press.
CINCINNATI, Ohio, November 8.—The following Western Union bulletin was issued this afternoon:
Kentucky, with complete reports from 36 counties and incomplete reports from 74, making a total of 110 out of 119 in state, Goebel (dem.) has 124,912 votes; Taylor, 123,728; Brown, 7,680. This leaves Goebel's plurality in the counties heard from 1,174.

Blackburn Claims State.

FRANKFORT, Ky., November 8.—At Goebel headquarters this morning former Senator Blackburn says:
"The republicans must carry Jefferson county by over 4,500 to win, and our information is they have failed to do this. Democratic majority while small is safe and our ticket is elected. Democrats will have majority in both houses of the legislature. Our majority on joint ballot will be at least 12 and probably more."

The Claims in Louisville.

LOUISVILLE, Ky., November 8.—With returns from all but thirteen counties, and as the reports come in they are more favorable and the vote of '97 as the basis of calculation, at the same ratio of republican gains Taylor's plurality in the state figured 6,700. A majority of the missing counties are from the eleventh district, which is largely republican. At republican headquarters it is still maintained that Taylor's plurality will reach 15,000.

Complete returns from every precinct in the city of Louisville give Goebel 15,060; Brown, 2,749; and Taylor, 18,860, giving Taylor a plurality of 3,254.
Returns from many mountain counties are still delayed, but from unofficial reports and estimates in the missing counties Taylor's plurality will be more favorable and the vote of '97 as the basis of calculation, at the same ratio of republican gains Taylor's plurality in the state figured 6,700. A majority of the missing counties are from the eleventh district, which is largely republican. At republican headquarters it is still maintained that Taylor's plurality will reach 15,000.

Another Claim for Taylor.

Special Dispatch to The Evening Star.
LOUISVILLE, Ky., November 8.—With twelve counties missing, four of them largely republican, Taylor's majority in the state is over 6,000. Republican Campaign Chairman Long at noon claims the state safely by over 10,000, and thinks the majority will be near 14,000.

At Frankfort Goebel's campaign manager, ex-Senator Blackburn, is claiming the state by 12,000. He says the democrats will have twelve majority on joint ballot in the legislature, and probably more.

THE POST'S MODERATE VIEWS.

The Post's moderate extra says Taylor's majority is safely 12,000, and says the legislature is close, but that the democrats will probably have a majority.

Kenton county, Goebel's home, has not yet fully reported. It is claimed that the Goebels are holding these returns back.

Conservative Goebels here concede Taylor's election by 12,000, and say the Goebels are conferring here, and, it is said, will probably decide to contest Louisville's vote, claiming the militia were used by the opposition to terrorize voters. Taylor's plurality in Louisville and Jefferson county (official) is 3,652.

A telegram was received today at the post office from Mr. John Speed Smith of that bureau from Richmond, Ky., where he went some days ago to vote the republican ticket. He said:

"We have carried everything in this (Madison) county and have got the state."

CRANE CARRIES MASSACHUSETTS.

The Democrats, However, Win Out in Boston by 6,200.

BOSTON, Mass., November 8.—The vote of 10 districts for governor complete is as follows: Crane, R., 18,875; Paine, D., 10,314; republican plurality, 6,562.
The vote of 1888 was: Wolcott, R., 191,146; Bruce, D., 107,960.

Comment among the republicans today was in effect that the result was an indictment on the part of Massachusetts of the policy of the national administration in the Philippine Islands.

On the other hand, the democrats, pointing to the great loss in the republican vote, claim that Massachusetts thereby has entered a protest against expansion. Especially the Portland chamber of commerce of the latter party were given a larger vote than that received by either the republican or democratic opponents, although they were able to carry only two entire districts.

Gen. Miles at Portland, Oreg.

PORTLAND, Oreg., November 8.—Major Gen. Nelson A. Miles, commanding the United States army, inspected the fortifications at the mouth of the Columbia river. He was tendered a banquet by the Astoria chamber of commerce and later was the guest of the Portland chamber of commerce at a banquet. Gen. Miles will go from here to San Francisco.

FUSION IN NEBRASKA

Estimate That Holcomb Carries State by Over 12,000.

BRYAN PLEASED AT RESULT

Congressional Election in Sixth District Still in Doubt.

REPUBLICAN EXPLANATION

Special From a Staff Correspondent.

LINCOLN, Neb., November 8.—Additional returns received this morning only served to emphasize the fusion victory in Nebraska at yesterday's election. The fusion plurality will not be less than 12,000, and may reach 18,000.

The republicans claim that the gains are only over last year, when the fusionists fell far short of their normal strength, and voice here regard Nash's plurality as a complete endorsement of the national administration. While it is not as large as they predicted it is larger than they hardly hoped for.

Victory of Nash Means Overthrow of McKisson & Co.

Special Dispatch to The Evening Star.
CLEVELAND, Ohio, November 8.—The Ohio situation briefly summarized is defeat for McLean, victory for Nash and encouragement for Jones. Republican managers here regard Nash's plurality as a complete endorsement of the national administration. While it is not as large as they predicted it is larger than they hardly hoped for.

Triumph for Senator Hanna.

Special Dispatch to The Evening Star.
CINCINNATI, Ohio, November 8.—The Ohio situation briefly summarized is defeat for McLean, victory for Nash and encouragement for Jones. Republican managers here regard Nash's plurality as a complete endorsement of the national administration. While it is not as large as they predicted it is larger than they hardly hoped for.

John Walter Smith.

The bitterness among the republicans, therefore, is very great, while the democrats are correspondingly elated. It is announced today that ex-Mayor Ferdinand C. Latrobe, who has been elected a member of the house of delegates, will be made speaker of that body, and that State Senator Austin L. Crothers of Cecil county will be chosen president of the senate next winter.

Returns From the State.

By Associated Press.
BALTIMORE, November 8.—Returns from the close counties in Maryland continue to come in slowly, but enough so now known to assure to the democrats the control of both branches of the general assembly. They have carried the lower house by such a decisive majority as to make it almost unanimous; but in order to control the senate it was necessary that they should elect ten senators. Later returns from Carroll county, which last night appeared to be doubtful, give the democratic candidate for state senator in that county a majority of 196.

The democrats have elected two senators from Baltimore city and one each from the following counties: Baltimore, Carroll, Frederick, Howard, Queen Anne, Washington, Wicomico and Worcester. Full and unofficial returns from Baltimore city give Smith (dem.) for governor a majority of 8,192 in the city, and estimates from the balance of the state give him a total majority of 11,265.

DEMOCRATS IN THE LEAD.

Result of Election in Two Prince Georges County Districts.
Special Correspondence to The Evening Star.
HYATTSVILLE, Md., November 8.—Owing to the large number of votes polled in this district, which is the largest in Prince Georges county, the count was not completed until 4:30 this morning. A great amount of scratching also delayed the count. The independents voted the state republican ticket and the democratic ticket for local offices.

The special count for Bladensburg district is as follows: For governor, Lowndes, republican, 355; Smith, democrat, 282. For controller, Goldsborough, republican, 352; Hering, democrat, 384. For attorney general, Findlay, republican, 356; Rayner, democrat, 382. For county treasurer, Ryan, republican, 357; Singluff, democrat, 374. County ticket—For house of delegates: Perkins, republican, 352; County republican, 349; Democrats, 345; Bladensburg, democrat, 389; Roberts, democrat, 377. For state's attorney: Levin, republican, 348; Rogers, democrat, 377. For state's attorney: Levin, republican, 348; Rogers, democrat, 377. For state's attorney: Levin, republican, 348; Rogers, democrat, 377.

THE ELECTION IN KANSAS.

TOPEKA, Kan., November 8.—The reports from election in Kansas show the republicans gains throughout the state. The votes cast are for sheriff, county clerk, county treasurer, register of deeds, surveyor, coronator and commissioner in each of 105 counties, judges in eight judicial districts, judges of two courts of common pleas and two state senators to fill vacancies caused by resignations.

Very little interest was taken in the election and the vote generally was light. The excitement incident to the big reception of the 24th Kansas Regiment no doubt took the minds of the people off the campaign, and the election came before they could settle up properly for the party ticket. The republicans have elected six of the ten judges and the two state senators to fill vacancies caused by resignations.

WICHITA, Kan., November 8.—The republicans elected five out of eight local candidates. The vote shows a republican gain.

The Returns From Kansas.

Special Dispatch to The Evening Star.
INDEPENDENCE, Kan., November 8.—Almost complete returns from this third congressional district, show large republican gains over last year, and the election of a majority of that party's candidates.

South Dakota Republican by 10,000.

MINNEAPOLIS, Minn., November 8.—A Sioux Falls, S.D., special to the Journal says that returns up to noon indicate a republican majority in the state of not less than 10,000.

DEFEAT FOR LOWNDES

Maryland Elects Smith, Democrat, by 10,000 Majority.

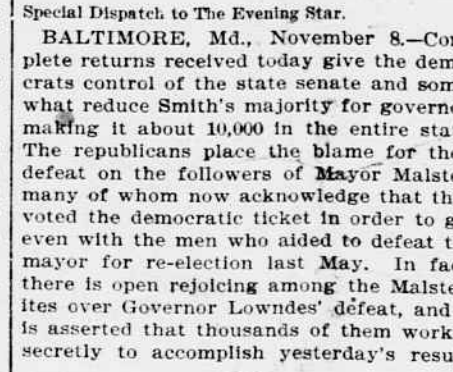

TREACHERY IN REPUBLICAN RANKS

Malsterites and Wellington's Friends Knifed the Ticket.

RETURNS FROM THE STATE

Special Dispatch to The Evening Star.

BALTIMORE, Md., November 8.—Complete returns received today give the democrats control of the state senate and somewhat reduce Smith's majority for governor, making it about 10,000 in the entire state. The republicans place the blame for their defeat on the followers of Mayor Malster, many of whom now acknowledge that they voted the democratic ticket in order to get even with the men who aided to defeat the mayor for re-election last May. In fact, there is open rejoicing among the Malsterites over Governor Lowndes' defeat, and it is asserted that thousands of them worked secretly to accomplish yesterday's result.

John Walter Smith.

The rest of the republican ticket is elected, the sheriff, legislative and county commissioner nominees averaging about 500 majority. Gov. Lowndes has spent the morning quietly at home. He is expected at his office in the Second National Bank this afternoon. Senator Wellington expresses much satisfaction over Lowndes' defeat, which, he says, is personal and not in a sense a republican party defeat. He congratulated him on your personal success over a weakling.

MR. McKINLEY: "Evidently they like you, Miss Prosperity."

about \$50 in the county, he having carried it by about 700 majority.

The democrats are jubilant over the victory and are making a big demonstration. The democratic ticket as elected is: State senator, Jacob Rohrbach; members of the house of delegates, Simon L. East, Daniel Princeton Buckley, Charles C. Waters, Samuel R. Brown, William H. Lakin; County commissioners for Frederick county, Jas. O. Horne, George A. T. Shouffer; sheriff of Frederick county, Charles P. Troxell; judges of the orphan court for Frederick county, Russell E. Lighter, Goven Blanchard Phillips, Roger M. Neighbors; county treasurer for Frederick county, Alexander H. Rameburg; county surveyor for Frederick county, James W. Troxell.

Mr. Norris' Congratulations.

Mr. James L. Norris today sent the following telegram to Mr. John Walter Smith, the governor-elect of Maryland:
"The democracy of the District of Columbia extend to you their heartfelt greetings upon your splendid victory. It is the triumph of purity over pollution, right over might, brains over brawn."

VICE PRESIDENT HOBART BETTER.

ABLE TO SIT UP AND TAKE SOME SOLID FOOD.

PATERSON, N. J., November 8.—After a restless night, during which he slept most of the time, Vice President Hobart awoke at an early hour this morning and said that he felt much better. Dr. Newton, his attending physician, who has been sleeping at Carroll Hall for the past week, so as to be at hand in case his services are again needed, said at 8:30 o'clock this morning that he was well pleased with the apparent recovery for the better in his patient's condition.

THE RESULT IN PHILADELPHIA.

BARNETT RECEIVES 69,543 PLURALITY OVER CREASY FOR TREASURER.

PHILADELPHIA, November 8.—In this city yesterday the total vote cast was 152,333. The registration was 218,337. The test on the state ticket was over the office of state treasurer, and Col. James E. Barnett (republican) had 69,543 plurality over his democratic opponent, Wm. T. Creasy, the vote resulting: Barnett, 110,078; Creasy, 40,535; Caldwell (pro.), 1,530; Watkins (people's), 200. J. Hay Brown, republican candidate for the supreme court, had 90,874 plurality over Mestrezdorf (democrat), but both were elected, as there are two vacancies in that body. For state superior court Mitchell (republican) had 87,485 plurality over Reilly (democrat). These figures would indicate that as a result of the attack on Barnett's military record he was cut about 10,000 votes in this city. The proposition to authorize a loan of \$12,000,000 for the improvement of the city's water supply was overwhelmingly carried, the vote in favor of it being 114,579, and against it 37,754. The proposition to increase the debt for water improvement purposes was defeated.

ARRIVAL OF TRANSPORT ST. PAUL.

THE TENNESSEE HAS OVER 100 PRISONERS ON BOARD.

SAN FRANCISCO, November 8.—The transport St. Paul has reached this port after a rough passage of twenty-one days from Nagasaki. She had but eleven passengers, including several discharged soldiers. The transport Indiana, with the Tennessee regiment aboard, was at Nagasaki when the St. Paul sailed. Besides the Tennessee troops she had over a hundred prisoners aboard. Most of these are destined for Alcatraz.

BROUGHT BY RUNNER

Dispatches From Ladysmith Taken Through the Boer Lines.

GEN. FRENCH GOING TO CAPE TOWN

Dr. Leyds Told to Keep Out of Holland.

RELIEF FELT IN LONDON

ESTCOURT, Natal, Sunday, November 5.—Brig. Gen. Wolfe-Murray has received important dispatches from Ladysmith by a runner, but their contents have not yet been divulged. Gen. French managed to leave Ladysmith by the last train from there, but the Boers had been fired on the train, but no one was hit. The general is going to Cape Town in order to take command of the cavalry. The border regiment arrived here on Friday.

The armored train, with a detachment of Dublin Fusiliers and a railroad engineering staff, which left here for Colenso to repair the line yesterday evening, and which also intended to go through to Ladysmith, if possible, has returned here. The commanding officer reports that he proceeded beyond Colenso, and found the dwellings there untouched. There had been no looting there except in a single case, where a store was looted by Kaffirs.

It is reported that the Boers are not within thirty miles of here.

The bullet holes in the uniforms of Durban volunteers show the narrowness of their escape from Fort Wylie, which was effected only after the heavy fire of the Dublin Fusiliers had inflicted severe loss on the Boers. A member of the garrison who was hard pressed by the Boers leaped into the river amid a shower of bullets, and, diving repeatedly, reached a far bank unscathed.

Subinspector Petley of the Natal police says that his men alone, forming one of several burial parties, interred sixty-four Boers who were killed at the battle of Talamula Hill.

The Dublin Fusiliers are being served with new kits, as they lost everything in the retreat from Dundee.

The colonial forces are already fighting in their shirt-sleeves, and it is expected that this will spread to all the forces before long.

Boers Driven From All Positions.

Details in regard to Gen. Buller's operations Friday toward Dewdrop show that the British force consisted of the 18th and 10th Hussars, volunteer cavalry, with a battery of mounted infantry, the 5th Dragoons, Royston's Light Horse and two batteries.

At midday Gen. Buller's force drove the Boers from all their positions, shelled three of their guns into silence and headed off 1,000 Boers from the Pietermaritzburg road. The Light Horse pressed too far into a gully and were exterminated by the Dragoons, all getting safely away. Under a heavy fire, Lieut. Pomeroy of the 6th Dragoon Guards, pluckily rescued a dismounted trooper from the fire zone. The British casualties were slight. The moral effect is excellent.

Strengthening the Capital's Defenses.

DURBAN, Natal, Sunday, November 5.—The preparations for the defense of Pietermaritzburg are in good shape. All the strong positions on the surrounding hills have been fortified.

There has been a great influx of Coleridge refugees at Pietermaritzburg, where the public buildings and stores have been given over to them.

The population of Durban has been increased 25,000 by the refugees, among whom there is a considerable distaste.

Gen. Schalkburger, with 1,300 men, has arrived at Vryheid on his way to Swaziland. It is believed he is going to Zululand.

The enrolment of the new imperial infantry is proceeding apace at Durban and Pietermaritzburg.

Murray's mounted volunteers have left Pietermaritzburg for the Moer river.

News from the Lower Tugela reports splendid work upon the part of the Germans below Umvoti. The mounted rifles have no volunteers more assiduous than the Germans.

HINT TO DR. LEYDS.

MUST DISCONTINUE VISITS TO HOLLAND DURING HOSTILITIES.

LONDON, November 8.—A special dispatch from The Hague says Dr. Leyds, the diplomatic agent of the Transvaal, has received a friendly intimation that his visits to Holland during the war must cease.

ADVANCE INTO CAPE COLONY.

THE BOERS WRECK THE BRIDGE AT STORMBURG.

QUEENSTOWN, Cape Colony, Sunday, November 5.—It is reported that the Boers have blown up the Stormburg-spruit bridge, as a terrific explosion was heard in the direction of the bridge.

MAINTAIN NEUTRALITY.

DUTCH OF CAPE COLONY REFRAIN FROM ALLIGING THEMSELVES.

CAPE TOWN, November 5.—The local volunteers have again expressed a desire of going to the front.
